

Lithofin Composite Cleaner for quartz composite

Description

A special product from the LITHOFIN-Range for quartz composite and similar artificial stones. This solvent based cleaner dissolves and removes a wide range of dirt deposits.

Properties

Lithofin Composite Cleaner dissolves and removes oil, grease, residues of wax, stickers, pen and other stubborn marks. The residues are dissolved and can then be easily washed off with water.

Technical Data:

Density: approx. 1.0 g/cm³

pH-Value: n.a.

Appearance: liquid, clear

Odour: slightly pungent

Flash Point: approx. < 21°C (c.C.)

Solubility in Water: complete

Field of Use

For deep cleaning all polished, honed or brushed quartz composite surfaces. Also suitable for natural stone. Ideal for preparing the surface for further protective treatment.

Directions for Use

Important: Always clean the entire surface because slight alterations in appearance are possible. Always test the product for suitability on a cut off.

Apply the undiluted product to the the dry surface and distribute evenly. After 4 to 10 minutes, rub off with a dry cloth or towel, then rinse with plenty of water and allow to dry.

Please Note: in case of very stubborn marks, such as imprints of vacuum lifting pads, stickers, etc. choose a longer working time.

Do not use on sensitive surfaces like rubber, paint, varnish, plastic and similar synthetics. Wash off splashes immediately.

Application Temperature: the surface temperature should be between +10 and +25°C.

Coverage: up to 10 m²/L

Storage

Closed, cool and dry. Temperature not to exceed 25°C. Shelf life of up to 2 years.

Environmental Protection

Free of CHCs. The contained surfactants are biodegradable according to regulation (EC) No. 648/2004 (detergents regulation).

Disposal: waste code according to EWC/AVV 07 01 04*.

Bottles/canisters are made of environmentally friendly tinplate and can be recycled (see information on label).

Safety

No health concerns once the surface has dried.

UFI: D4X0-R0RP-100Q-2MDD

Ingredients: active cleaning components, additives.

Labelling according to EU-Directive 1272/2008(CLP):

Symbol GHS 02, 07 Danger

Highly flammable liquid and vapour. Causes serious eye irritation. Keep out of reach of children. Keep away from heat/sparks/open flames/hot surfaces. -No smoking. Keep container tightly closed.

Wear eye/face protection. Store in a well-ventilated place. Keep cool. Dispose of contents and container in accordance with local and national regulations.

ADR2019: regulations for transport

Unit	Label	Notes on freight papers
a)	Z3, UN 1993	UN 1993 FLAMMABLE LIQUID, N.O.S. (1,3-Dioxolane, 1-Propoxypropan-2-ol), 3, VG II, (D/E)

Packaging

a) 2.5 litre canister (4 per box)

Please Note: statements concerning environmental and safety issues refer to the product as delivered (concentrated). This information should be considered to be informal and non-binding. The products must be used according to local conditions and materials. Always test the product in an inconspicuous area. (GB7.19ggs/5.19)
